

GLEN LANDING MIDDLE SCHOOL

WHAT?:

In coordination with the **national celebration of “Make A Difference Day,”** the GLMS community, teachers, parents and students, along with the GLMS Environmental Club, GLMS HSA, and GLMS Student Government Association are invited to make a difference at Glen Landing by lending a hand to beautify our school. Most of the volunteer work will be centered on enhancing the grounds by cleaning, pruning, planting and mulching. We are still looking for material donations (shrubs and mulch) or financial donations (to purchase shrubs and mulch). If interested please contact the front office or Mr. Pildis at 227-3534.

WHERE?:

We will meet in the Glen Landing Cafeteria, entering the building from the cafeteria doors.

WHEN?:

Saturday, October, 24th, 7:30 AM for coffee and donuts 8:00 – 11:00 work time.

HOW?:

We ask that all students complete a participation application with parental/guardian permission due 10/23, and be accompanied by an adult on Make a Difference Day. We also ask that parents bring hand gardening tools.
