Special Transportation Requests – We suggest parents with special transportation requests due to babysitting, day care and work schedules, begin to think about preparations for September. All requests should be consistent, five days a week, no exceptions can be made. Please put your request in writing and forward it to the Lilley School office (to the attention of Ms. Rose-Bounds) with the following information: child's name, grade for 2010-2011, bus number of bus needed, bus stop and reason for change. All requests must be received in the school office by August 23rd in order to ensure your request be approved for the first day of school. If received after that date your request may not be honored until after September 20th. Please note, that pending fiscal constraints, transportation may not be able to honor all submitted requests for the 2010-2011 school year. If approved, all special request bus passes will be mailed to the student sometime in the summer.
