Kindergarten Milk Program

Dear Parents,

If you would like your child to receive an 8oz low fat Milk everyday at snack time, please send a check for \$31.50 on the first day of school in September & again in January. Checks should be made payable to GTPS Food Services, and cash must be put in an envelope with your child's full name written on the front. The cost of milk is \$.35 and if your child is absent any days the balance in their account will follow them into first grade.

Once you have completed an application for free and reduced price meals, if you are approved for free meals/milk the balance on that day will be refunded. Students are entitled to a free breakfast OR a free milk at snack time.

Please call the food services office with any questions 227-7688 Ext. 4300

Thank You!
